SX-I On The Go Suitcase

VESA mount (100 x 100 mm) for 24W / 27W BenQ SW series monitors

Designed to effectively improve the workflow when shooting outdoors, the VESA mount is perfect for all 24 and 27 inch BenQ SW series monitors. By using the VESA mount (100 x 100 mm), you can carry any 24 and 27 inch BenQ SW series monitors to travel without troubles.

Customizable protection foam to create your own design

This foam is made for protecting gear and the monitor during transportation, as it can absorb the most impact to safeguard the equipment to prevent items knocking together during a rough ride. To make sure a full protection. To make it fully protected, BenQ has carefully selected the material. This protection foam is customizable, so you can tailor it to create your own design.

Certified shock-resistant by STANAG 4280 /DEF STAN 81-41

The 'On the Go' suitcase SX-I is made from a hardshell with copolymer polypropylene base, that is engineered to resist scratches, absorb impact and provide strength to keep your gear and monitor safe. High-quality copolymer polypropylene is used to ensure durability and to increase damage resistance during travel. With certification from STANAG 4280 /DEF STAN 81-41, the BenQ 'On the Go' suitcase SX-I is validated to provide the best protection against wear and tear.

Dust and water resistance validated by IP67

With certification from IP67, it ensures the BenQ 'On the GO' suitcase SX-I will offer the best protection against the effects of immersion in water between 1 cm and 1 m for 30 minutes so no worry for the rains.

Product Name	SX-I (On The Go)
Color	Black
Dimensions and Weight	
Internal Dimensions (H x W x D)	750 x 480 x 280 mm
External dimensions (H x W x D)	816 x 540 x 306 mm
Diameter of the Wheels	60 mm
Lid height	60 mm
Base Height	220 mm
Volume (L)	108L
Weight	10.2 KG
Handles	Small : 195 x 80 x 20 mm Big : 440 x 140 x 40 mm
Handle Capacity	50 kg
Range Temperature	-30/90 (Celsius)
Spec of the support (inside)	100N gas Spring
Included Parts	
VESA mount for SW series (24W/27W)	1 pcs
Customizable Protection Foam Size	Layer 1 & 2 : 745 x 470 x 60 mm Layer 3 : 735 x 465 x 40 mm
Other Features	
Rugged in-line wheels	Yes (x 2)
Material of Body	Copolymer Polypropylene
Country of Manufacture	Italy
Design	Denmark
Dust / Water Resistance	IP67
Shock Resistance	STANAG 4280 /DEF STAN 81-41
Automatic air pressure compensation valve	Yes
Warranty	Limited 5 years warranty*
