BenQ GW2320

LED LED Leads the Way

LED backlighting offers significant advantages over the CCFL technology used in older LCD monitors. These advantages encompass not only performance metrics such as higher dynamic contrast, no light leakage and flicker-free, but also environmental factors, mercury-free and power saving.

Flicker-free Backlight for Visual Pleasure

The GW2320 is upgraded to eliminate flickering at all brightness levels, effectively reducing eye fatigue.

178°/178° Wide-Viewing Angles

IPS panels bring truly authentic colors and ultra sharp details from left, right, above and below to your eyes with a wide-viewing angle of 178°/178°. Viewing, as you know it, will never be the same.

Senseye® 3 Technology

Experience the truest colors of the world with the BenQ Senseye® Human Vision Technology. With the help of its six proprietary calibration techniques, Senseye® 3 delivers only the best viewing quality in each of its six pre-set viewing modes – Standard, Movie, Game, Photo, sRGB, and Eco – with the Eco Mode especially designed to save power and money.

20M:1 Dynamic Contrast for Depth and Definition

The GW2320 comes with a dynamic contrast ratio of 20M:1 to add color depth and definition to darkened and complex visuals, so that everything you see - from the brightest white to the darkest black - is perfectly rendered to deliver the most incredible picture performance.

Windows® 8 compatible

The GW2320 is fully compatible with Windows 8 systems. Plug in the GW2320 to your computer, and Windows 8 will recognize it instantly, making setup and connection effortless.

Product Name	GW2320
Product Color	Black
Panel	
Back Light Unit	LED
LCD Size	23"W
Aspect Ratio	16:9
Resolution (max.)	1920x1080
Display Area(mm)	509.18x286.74
Pixel Pitch (mm)	0.265
Brightness (typ.)	250 cd/m ²
Contrast (typ.)	1000:1
DCR (Dynamic Contrast Ratio) (typ.)	20M:1
Viewing Angle (L/R;U/D) (CR>=10)	178/178
Response Time(Tr+Tf) typ.	14ms, 5ms (GtG)
Display Colors	16.7million
Monitor	
Input Connector	D-sub/DVI
Power Consumption (Base on Energy star)	22W
(Power saving mode)	<0.3W
K Locker	Yes
Net Weight (kg)	4.4
Special Feature	
Flicker-free Technology	Yes
Senseye	Senseye 3
Win 8	Yes
Color Temperature	Reddish / Normal/ Bluish /user mode
OSD Language	17 languages
Tilt (down/up)	-5~20 degrees
Included Accessories	
Signal Cable	VGA
Regulations	
TCO	TCO6.0
EnergyStar6.0	Yes
