MasterKeys Pro M

Mechanical Keyboard with Cherry MX Switches and White LED Backlight

The MasterKeys Pro M Intelligent White keyboard delivers the brightest white LED backlighting with the best responsive feeling that gamers have come to love. Get multiple lighting modes, on-the-fly macros, profile support, and CHERRY MX switches - all in a compact form factor design that saves you space without losing functionality. For those looking for a crisp, clearer white that an RGB keyboard cannot deliver, the MasterKeys Pro M Intelligent White is for you.
