SC730 External SSD
Mini Born for Mobility

SC730 External Solid State Drive

The SC730 is the smallest dual-connector external SSD in the world, with a compact design similar to a USB flash drive. with read/write speeds of up to 600MB/s, making it easy to expand storage on mobile devices. The SC730 is also made with 50% recycled plastic, offering a simple and eco-friendly design, making it the ideal choice for mobile storage.

Compact & Dual-Connector Design

Weighing just 7.8g (0.275oz)—lighter than a pair of AirPods—the SC730 is as compact as a USB flash drive! With built-in dual USB-C and USB-A connectors, there's no need for adapters or extra cables.

Plug in and Keep Shooting

With USB 3.2 Gen2 interface, it delivers 600MB/s read/write speeds and a 10Gbps bandwidth, allowing you to edit and access large files directly on the drive. It also supports file transfers with the iPhone 16 series, ensuring a smooth, experience.

Performance up to 600 MB/s

Protect Nature Live Sustainably

Made with 50% post-consumer recycled (PCR) materials, the SC730 reduces carbon emissions by 39%. The surface features an eco-conscious nano-imprinted (NIL) design, creating a dynamic, multi-layered light effect from different angles. Plus, it's fingerprint-resistant, adding a sleek touch to your style.

Features

- 600 MB/s high-speed read/write
- The world's smallest dual-connector external SSD
- Made with 50% PCR plastic
- Supports latest generation game consoles
- Supports multiple operating systems

Specifications

- Capacity: 512GB / 1TB
- Color: Black
- Dimensions (L x W x H):
  36.8 x 23.8 x 9.7mm / 14.49 x 9.37 x 3.82inch
- Weight: 7.8g / 0.275oz
- Interface: USB 3.2 Gen 2 (10Gbps)
  (backward compatible with USB 2.0)
- System requirements:
  Windows 10 / 11
  MacOS 13 or later (informatting required for use)
  Linux Kernel 6 or later
  Android 13 or later.
- Warranty: Limited 5-year

Hassle-Free Compatibility

Whether Android, macOS, Windows, or other operating systems, you will not need to worry about compatibility. Just connect via its Type-C port and go.

Supports iPhone 16 Series
